Dear Herbert

You changed children's lives in Peru during 2016. Your generosity is remarkable and much appreciated. Because of you, the following acts of kindness were possible:

- Maycol, Fiorela, Erilinda, Noemi, Mercy, Fernanda will all graduate from Casa Chapi and move into our new fully staffed facility in Arequipa and attend the best secondary schools available.
- Dante will receive eye surgery to cure his cross-eyed condition and begin life anew without being teased or ridiculed.
- Xeina graduated from Casa Chapi and became our first USA exchange student. She is intent on becoming a doctor and because of your generosity, we are sure that she will.
- The earthquake-damaged Ichupampa Community Kitchen will be rebuilt so that it may continue serving hundreds of school children and elderly men and women daily.
- Thousands of men, women, and children received anti-parasitic medication and anemia treatment.

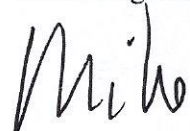

The children and families served by your generosity may never get to meet you, but they feel your love every day.

More than 85% of every dollar you donate goes straight to programs in Peru. We strive to be good stewards of your gifts, to operate efficiently, and to serve the children and single mothers who most need a hand up.

The Quechua Benefit Board of Directors and the children at Casa Chapi thank you, from deep down in our hearts, for your generosity. Please accept this original artwork from the talented artists at Casa Chapi as a token of their affection.

Together we can make 2017 a year of small miracles for many, many women and children in one of the poorest areas of the world.

Warm Regards

Mike Safley
